

Remarks

In the Office Action mailed October 21, 2004, the Examiner stated that the application was in condition for allowance, and requested full compliance with 37 CFR 1.8121-1.825. Applicants submit that this request has been satisfied by the accompanying Submission of Sequence Listing Under 37 C.F.R. 1.821(e) ("Submission") filed herewith.

In the attached Submission, Applicants request that the Sequence Listing filed on July 20, 2001 in the parent application -- U.S. Serial No. 09/337,756 (filing date June 22, 1999) -- be used to fulfill the sequence requirements for the application in caption pursuant to 37 C.F.R. §1.821(e). Applicants submit that the sequence listing filed in the parent application contains sequence information identical to that of the present application.

Conclusion

In view of the above response and sequence submission, Applicants respectfully request that all objections and rejections be withdrawn and that a notice of allowance be forthcoming.

Respectfully submitted,

Paul M. Booth
